DISCOUNTS

NOTE: Discounts offered at specific toll plazas for **frequent users**, as well as **qualifying local users** still apply. Application for discounts can be made at the toll plaza offices.

REVENUE STREAM

Toll fees allow for a continuous **revenue stream** provided by those that make use of a tolled road. **Toll fees** mean there will **always be funds** to optimally **maintain roads** which makes **roads safer** and **saves money** in the long run.

MAINTENANCE

Roads need to be kept in optimal condition at all times. They deteriorate over time due to **wear-and-tear** from traffic loading (especially trucks) and **climate** (rainfall and UV radiation). The maintenance of roads is not a once-off occurrence – it is a **continuous process** to ensure optimal performance.

COLLECTION OF TOLL FEES

allows us to (amongst others):

- Clean drains to ensure effective drainage of rainwater
- Cut grass to improve visibility and reduce the risk of wildfires
- Seal surface cracks and fix potholes
- Maintain road signs and markings
- Respond to crashes and clean-up debris
- Resurface the road on a periodic basis
- Add additional lanes when required.
